

No one deserves to go hungry.

Will you help Feed Geelong this October?

Access to healthy, fresh, nutritious and culturally appropriate food is one of our most basic human rights. For those living in poverty (or close to it), the lack of this basic right is a stark reality with serious implications for many people.

The Feed Geelong Appeal raises valuable funds to support the Geelong Emergency Food Relief System and its organisations who are assisting those in our region experiencing food insecurity - all while drawing attention to the crisis on our doorstep.

Addressing disadvantage and its effects are everyone's responsibility!
