

No one deserves to go hungry. Will you help Feed Geelong this October?

Access to healthy, fresh, nutritious and culturally appropriate food is a basic human right. For those in our community living in poverty (or close to it), hunger is a stark reality with serious implications for many people.

The Feed Geelong Appeal raises valuable funds to support organisations working within our community to provide emergency food relief - while drawing attention to the crisis on our doorstep.

Addressing food insecurity in our community and its effects are everyone's responsibility!

able to provide food assistance to some of those most vulnerable in our community, including young people ages 12-25 who were at risk of experiencing homelessness.

Barwon Child Youth & Family received a \$875.45 Feed Geelong grant to purchase shelving units to store non-perishable food in its Youth Services area. This allowed for young people including Ben* who visit the Youth Service offices, the ability to access food quickly and easily where otherwise they may not have eaten for days or were at risk of running out of food,
