Your support will help make sure nobody in our community goes hungry

Your donation can make all the difference to people like Maria.

After fleeing a violent relationship, Maria found herself sleeping in her car with nothing but a small suitcase. Overwhelmed and unsure where to turn, she went to Lazarus Community Centre.

At Lazarus, she received a Give Where You Live Foundation Community Choice voucher, which meant she could buy fresh fruit, bread, and a few toiletries, small essentials she hadn't had in weeks. More than food, it offered her dignity and the strength to take the next step towards rebuilding her life.

"I cried in the car park," Maria says. "Not because of what I'd lost, but because I finally felt seen."

When you support the Feed Geelong Appeal, you're helping local organisations like Lazarus Community Centre provide that same life changing support to people in crisis, ensuring no one in our community goes hungry.

Double your donation!

Help make sure nobody goes hungry with a donation that will be doubled* during the Feed Geelong Appeal (*up to \$20,000)
