

Geelong Foodshare is a participating merchant in the Give Where You Live Community Choice Program.

Geelong Foodshare operates two Social Supermarkets where individuals can access grocery items using a points-based voucher system. Food items may vary, as Geelong Foodshare utilises rescued, donated and strategically purchased food to ensure that an extensive range is available for our community.

## How It Works

**\$25 = 20 POINTS**

- A \$25 voucher equates to 20 points in our Social Supermarkets.
- A 20 point voucher must include (but is not limited to) 5 green points.
- Examples of green points include staples such as bags of fruit and vegetables, bread, eggs and meat

## What Your Shop Might Look Like

## 20 Point Shop

20 points = \$170 - 230 worth of groceries (audited by Deakin University 2024).
